

## INDEPENDENCE CLUB RENOVATION INFO

The Independence Club will be temporarily shut down for the flooring renovation project/HVAC system cleaning & repair from 7am Saturday, 11/25/17 with a projected re-open date of Thursday, 12/07/17. During our 12-day renovation period we will be holding all regular meetings at The American Legion Post 176 located at 6520 Amherst Ave. Springfield, VA. Our 6:00am meeting (Worms) will be held at the Club Saturday, 11/25/17; movers arrive at 7am that morning. First meeting at The American Legion will be at 7:30am (Early Birds) on Saturday, 11/25/17; thereafter all normally scheduled meetings will be at The American Legion through the night of Wednesday, 12/06/17 starting at 6:00am as usual.

Last Alcothon meeting will be 4:30am Saturday morning (unfortunately we won't be able to complete all scheduled Alcothon meetings at The American Legion).

Coming from the Club's current location proceed towards center of Springfield going straight down Backlick Rd. (Backlick Rd. will turn into Amherst Ave.), go over a bridge (bridge goes over Old Keene Mill Rd.) after passing large shopping center on right (Springfield Plaza with a Giant & K-Mart), at the base of the bridge you will proceed straight through the light at Springfield Blvd., the first brown brick building on your immediate right is The American Legion. All meeting times will remain the same; continue to check our website for any possible future change to our projected re-open date of 12/07/17 ([theindependencelub.org](http://theindependencelub.org)).

Need help packing items beginning Thursday night after the 8:30pm meeting and Friday from noon through the day until done. Have to pack storage closets, kitchen cabinets, empty all drawers & vending machines, & remove all pictures from walls. If we can get at least 15 people here to help it can probably be done in 2-3 hours.

Also, if you're attending Thanksgiving dinner @ 1pm on Thursday PLEASE bring a side dish or dessert. At this point still need rolls, mashed potatoes, lots of gravy, & green beans/green bean casseroles or other vegetables; some ice also for coolers being brought.

Happy Holidays,  
The Independence Club, Inc. Board of Directors
